From the Chairman

The Branch has once again exceeded all expectations in its fundraising for the Poppy Appeal Benevolent Fund. Over €50,000 was raised by the Branch. This money goes along way towards helping those ex service personnel and their dependants in times of need.

Meetings

Branch meetings are normally held on the fourth Monday every 2 months. All members are welcome and not just the Committee. If you don't attend the meetings, how can you have input into the running of the Branch? Come along and give us your ideas for entertainment.

Committee members who can not attend meetings are asked

to notify the secretary so that it can be recorded in the minutes. This is a requirement of the bye-laws.

Certificate

Congratulations to Robert Millar, Branch Secretary on being awarded a Branch Certificate of Appreciation

Welcome

I would like to welcome all new members to the Branch
